LEARNING UNIT 3: PENTECOST 2019 – PREACH IT !!**

**Friday April 26, 5:30 p.m. – Sunday April 28, 2:30 p.m.
Tatamagouche Centre**

Shall we play with fire?

The story of Pentecost recalls that ground-shaking moment when, fifty days after Christ's resurrection, the Holy Spirit swept through his followers and transforming tongues of fire ignited a movement that would become the Church. Participants in this program will have the opportunity to explore the themes of the long liturgical season of Pentecost, including special days such as Environment, Aboriginal, Anniversary and Union Sundays.

Special attention will be given to the practice of preaching.

Each participant will submit a sermon based on texts for Pentecost or Trinity Sunday.
